

### Physics Association: COHERENCE

It is well known that the coherence is an ideal property of the waves which enable them to form stationary interference. On the same lines, **Coherence** – The Physics Association of DRC, brings together all the students having different states of mind, to work efficiently.

Staff Advisor of the Physics Association for the academic session 2021-2022:

**Dr. Shefali Jain**

The Physics association, Coherence had organized Farewell 2021 to bid adieu to the 2018-2021 batch of B.Sc Physics(H) , on 25<sup>th</sup> June, 2021. It was an emotional moment for all of us , the event was very well organized and all the teachers bestowed their best wishes.

A Fresher Party was also organized to welcome our new Fresh Batch of 2021 of the department on 7<sup>th</sup> January, 2021, all the new ones showed us their unique talents and Khushi bagged the tag of Miss Freshers-2020.

Also, Fresher's party was organized on September 6, 2019 to welcome the first year students of B.Sc (H) Physics batch (2019-22).

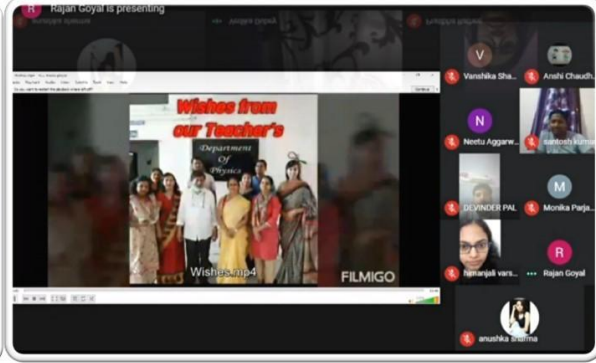

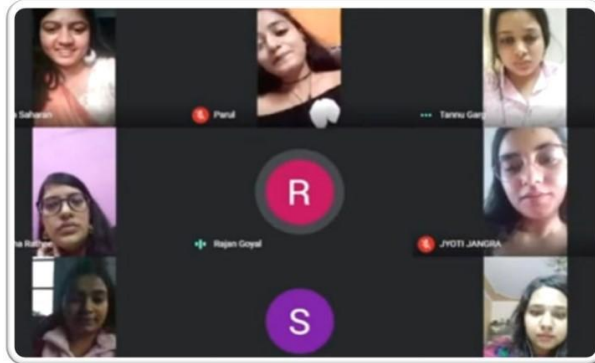

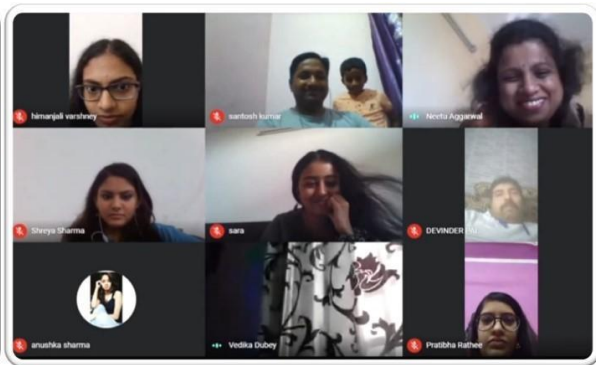

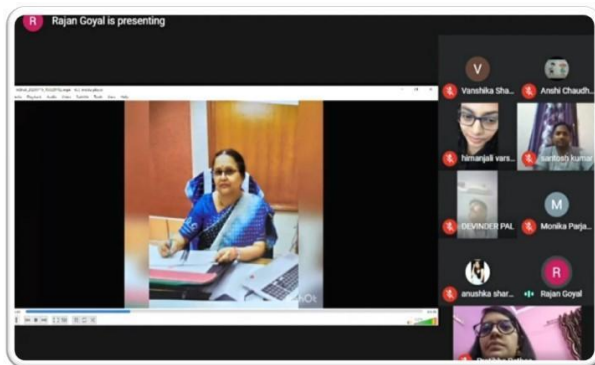

The freshers' showed their unique talents and fascinating performances. Based on their talent, there was a title distribution ceremony for the winners for the following titles (1) Miss Fresher (2) Miss Diva (3) Miss Talented and (4) Miss Brainy.

The event provided opportunity to the fresher's to get acquainted with their seniors and teachers. The party winded up with cheering faces imprinting a deep feeling about sharing an everlasting bond with each other.

Coherence, the Physics Association of Daulat Ram College organized its **first ever** online farewell celebration for the batch of **2017-2020** on 20<sup>th</sup> July 2020.

The party began by displaying a video, portraying the three-year journey of the seniors, followed by performances activities like talent videos, best traditional dress up photos, a timed quiz and games like 'Fastest finger first' and 'guess movie with emoji' etc. Finally, the messages from all teachers and the students led to a burst of emotions in everyone's hearts.
